Mr. Elliott:

We have one more issue for you today. Becky Dennis' Corrected Direct testimony has Exhibits that are inside the testimony. They are numbered BD-1 through BD-6. Ms. Wheat reminded me that the last time this came up, the Commission decided to extract the exhibits from inside the testimony and make them a separate hearing exhibit unto themselves for the purposes of the record. Ms. Wheat and I would ask that, if possible, you consider following this same procedure for the upcoming Monday hearing on the Kiawah Island case, because the question is likely to come up. Thank you in advance for your consideration in this matter.

 David Butler
